### 👤 PROFILE

A highly accomplished, skilled and knowledgeable computer science student with extensive knowledge of programming and computer applications.To secure a position where I can efficiently contribute my skills and abilities to the growth of the organization and build my professional career.

### 🎓 EDUCATION

**B.Tech**  
**Pragati Engineering College**  
2020 – present | Surampalem  
CGPA-7.57

**INTERMEDIATE**  
**Sasi Junior College**  
2018 – 2020 | Velivennu  
GPA-9.34

**Board of Secondary Education**  
**Pragati Public School**  
2017 – 2018 | Kakinada  
GPA-9.8

### 🧠 SKILLS

Python

Java

Html,Css

### 📄 CERTIFICATES

- Microsoft Azure Fundamentals (AZ-900)
- Kodnest Java Internship

### 🔑 INTERESTS

- Travelling
- Reading Books
- Sports

### 🧩 STRENGTHS

- **Self-motivated**
- **Active listening**
- **Quick Learner**
- **Good at Communication**

### 📁 INTERSHIPS

**Salesforce Developer Virtual Internship**

**Python Development Intern- CodeClause**

**Salesforce Administrator Virtual Internship**

### 📁 PROJECTS

#### **Weather App**

- Created an app to see the content of the weather and its temperature humidity etc. using api key to connect the world wide weather.

**Technology Used: Html, Css, Javascript**

#### **AI-ENHANCED WEAPON DETECTION AND ALERT SYSTEM WITH AMAZON REKOGNITION**

- This project aims to minimize the police response time by detecting weapons through a live CCTV camera feed. So it alerts the police as soon as it detects any sort of weapon. In our project we are focusing on guns primarily.

### 🏆 EXTRA-CURRICULAR ACTIVITIES

- Worked as a Student Co-ordinator in Strides 2k23 (Break the Query) conducted by Pragati engineering College.
- Participated in Tech Expo, Coding competitions on Strides events
